聖懷特的預告

（前篇）

December-,
when the streets are buzzing with pepple as they are excited about
getting ready for the celebration that comes only once a year..
Today is Saint White's day.
There is a festival opening in our Azumano Junior High.
Today is a special day.
Oh!
Daisuke!
you forgot your tie!
I'm already excited

It's true.
Because I became an employee for the festival preparation committee in school, busy preparing and attending meetings,
Okay
Let's have it done pretty
How can a festival preparation employee not wear his tie?
I was able to avoid being Kaitou Dark but..
The problem isn't that!
I wasn't able to buy a present for Risa for the festival that is held once a year because I was BUSY!
there's no end to this
ah..
ah..
ah..
it's heavy!
It's a ribon, can't you tell? Isn't it pretty?
W.. why do I have to..
W.. what is that?
Here, Dai-chan.

WHAT!!
To the one I like?
They say that giving white ribons are going to be popular this year.
It's a present. For the girl that Daisuke likes..
It's OKAY.
with my sense of style, everything will be perfect
I'm not going to have time to give it to her anyway!
Aww.. You don't have to be embarrased..
I'll give you this, so bring it to school.
You didn't have time to buy her a present..
TAKE. IT. TO. SCHOOL!!!
DAI-CHAN!
Don't forget to tell me what happened!
Have fun!
..I can't give it to her.

I wonder..
how Kosuke san is doing..
he's just like his father
I don't know why he gets so embarrassed. Just like Kosuke san..
There aren't any letters from..
him...
I wonder what it says.
AHHH!! Hahahaa
IT"S FROM KOSUKE SAN!

I will be home very soon. Kosuke.
我會在近期內回家。
介助
Kosuke san is coming home
Kosuke san is..
What is it Risa?
a white ribon?
You don't know? Riku?
No. How does it relate the Saint White festival?
are you really a girl?
that's harsh..

How can you NOT hear about it, It's really famous amoung girls!
but I was busy working as a preparation employee..
How can I wear a dress when I'm working?
And your clothes too! Where is your class dress that we made?
I'll make my underwear show..
But if you get a white ribon on Saint Whites day and the boy bies it to you,
your love will come true.
That silly talk..
I have to move this to..
oh.. I'm sor.. ry..ooh..
That looks heavy,
ahh.. Ukawa senpai..
Girls shouldn't be moving these.. do you want 'me' to carry it?
I 'will' carry it with you.
You don't have to feel sorry, I am a man you know..
Harada san..

It's okay, he annoys me he always try to prove that he s masculine.
..s t okay to treat h m ke that he is the student principa you know.
If he wants to help, he should be more..
even though he isn't at all
Then why don't you carry it ALL
OH REALLY?
W.. WHAT ARE YOU DOING?
!!
oh, hello..
Let alone the hello or whatever this is the 3rd floor!!

!!
...baka!
Don't worry, I'm good with heights..
whatever! just come inside!
I was just trying to put this on the window..
w.. wait, Risa!
oh...
I see...
It's going to be the meeting time soon..
D.. Daisuke

咚……
!
……
Did someone drop this?
there he is!
I love you
Ne couldn't have meant it..
Ne has Risa..
because of last time.. I keep thinking of it.
umm...
It's kinda awkward..

He must have thought I was Risa!
Why didn't I think of that?
It was dark and, even I was mumbling..
Huh? oh yeah!
But.
Then,
.. I can't tell him that now~!!
we will begin the Saint White Festival!
I have a favor to ask you..
Takeshi??
Daisuke!

If it goes on like this, I will never be able to give her the present!
please give this to the newspaper crew.
What??
I can't leave my spot in cooking. Thanks!
Ah!
uh
Are you okay?
I'm sorry I dropped it!

Ri...
Risa-san
Ri..
Daisuke??
wait,
Risa!
don't go!

I have something to give you..
.....
It hurts..
let me go..
I'm sorry!
Oh yeah
I wanted to give this too..
What should I do.. I held her up but where is it?!

That moment.. Everything became dark around me.. I don't know if it was because of the certains or not.
But the things I did know.. was Risa's feelings..
and my hopelessness in loosing the ribon..
The despair that I was driven to..

What is this in-the-middle transform??
What can I do??
Huh?!
Daisuke?!
I..
Let's see..
.....
The one I like is Dark san!!
You were dumped by Risa..
so, suddenly there became a space and I came out?
am Daisuke??

Is that so..
But because it has nothing to do with the love DNA,
only the inside changed..?
Daisuke
you ran away from your problem, didn't you?
!
No I didn't!
It's okay, it's okay it doesn't matter to me..
It is hard to work with your appearance..

I'll have to steal something since I came out..
you're not.. not..
But the harder the obstacle,
the more enthusiastic I become
oh no...!!
Dark..
He's going to play all he wants, pretending he is me!!!
Or my name isn't Kaitou Dark!!

Why is the timing so bad with me and Niwa kun...
I'll take just a while. Just for a moment!
oh! I don't see Niwa kun anymore..?
with this stupid person..?
Niwa kun...
must have given Risa the ribbon...
Then,
just for a moment..
This looks like a good place.
What are you trying to do?!
!DARK!
Just watch..
Ah!

What about the work?
Riku was looking for you
What are you doing here?
she's one of the friend of Risa's..
Are you trying to ditch your work?
You shouldn't do that!
Hukuda Ritsuko!
Her name was..
Why aren't you saying anything?
Ah!
Hukuda san!
My first target!

I couldn't even talk..
(blush)
It's just.. you looked so different from the other days that..
No.. it's not that..
W.. What is it? I was wondering why you were standing so silently..
ah
AH

...
Hukuda san..

.....
But I guess he is too naive..
He knows me too well.

Don't kid with me..
And besides.

My real target..

Don't interpret things your way!
I told you before.. I don't like you!
I hate you would be more like it!
I can't tell him that
'you just happened to be with Niwa kun everytime I looked at him..'
That.. that's because..

I can stand up by myself
I thought you were gettin up by yourself?
I will!
!

words towards Riku comes out from my mouth easier than it did before..
But...
I guess...
you're always like this when you meet me..
it's hard to stand up like that.
is it Dark who's saying this..
eventually..
why do I do this..

or me...?
!
If someone you love ties the ribon to you..
.. your love will come true!
It's a spell to wish for snow to come..
This tie.. is white...
so I'll give this tie to you instead..
I lost my ribon somewhere,

I am...

It's strange.

my love..

will come true? That couldn't possibly..

A spell?

I am not Dark..

Niwa kun!
ah!

Wait!
Risa!
Risa?
RISA~!

Gondawara

Yes!
Get every information of this Gondawara..
I have a feel for this one..!
It's going to be a big seller!

I will have you in my hands!
Gondawara!

I was the one that dumped Niwa kun in the first place..

DARK...
DARK!
Please stay by my side...!
Don't go anywhere!

I no longer hear..
the voice of Daisuke..
inside of me...
Huh.....
